Chapter Two: Some Illustrations
Photo Descriptions**

Slide 4:

Photo description (right): A city bus is moving down the street; above the driver's windshield, the electronic banner indicates "15 via Ballard."

Slide 7:

Photo Description: Shown is a front entrance of a building with two sets of swinging doors.

Slide 11:

Photo Description (right): Seven people are in a room with covered windows. The left side of a long table is shown, starting at the bottom and stretching to the far right. Six are seated at the table, while one person is standing against the windows. All are facing to the right, listening or paying attention.

Slide 15:

Photo Description (right): A class is in session, with long floor-to-ceiling windows covered. DB students and volunteer interpreters are seated in different formats: triangular, side-by-side, and one-on-one.

Slide 18:

Photo Description: Four people are seated in a white room, one DB man facing away from the camera and three seated people facing toward the camera. Behind the three seated people are two coat racks covered with dark cloth drops.

Slide 21:

Photo Description: Two DB people are seated in a white room, with a blue background drop behind them. Seated at the left, a man is signing.

Slide 23:

Photo Description: In a room, there are three long rectangular tables, covered with solid blue tablecloths, pushed together to make a large square table. Chairs surround the table.

Slide 25:

Left Photo Description: An audio system for large groups is shown, at the lower left, hands hold a microphone and an FM system device.

Right Photo Description: Shown are hands holding a microphone and a FM system device.

Slide 28:

Photo Description: In the foreground, there are four sighted women seated at the corner of tables arranged in a square or U-shape.

Slide 29:

Photo Description: A different perspective of the same four women seated at the corner of tables arranged in a square or U-shape.

Slide 33:

Photo Description: At the left is a seated DB female signing, leading a presentation; at the right is a male interpreter who monitors the crowd and is ready to cue the DB female.

Slide 34:

Photo Description: At the left, a standing DB woman leads a presentation; at the right, a male interpreter stands by.

Slide 38:

Photo Description: In front of a dark green background drop, at the left, a standing Deaf male presenter at a DB class listens as, on the right, a 'copy interpreter' mirrors the audience member's (not shown) comment back to the audience and interpreters. Both people wear black tops.

Slide 40:

Photo Description: A standing 'copy interpreter' on the stage cues by pointing at a person (not shown) who is talking.

Slide 42:

Photo Description: In a room, at the foreground, a DB woman is seated across from her 'close vision' interpreter, listening. The interpreter is facing away from the presenter (not shown).

Slide 43:

Photo Description: A female voice interpreter speaks into an FM microphone.

Slide 50:

Photo Description: Three women are standing in a shoe store. On the left, a DB woman with her cane is conversing with her SSP, in the middle. On the right, a salesperson, a hearing woman, looks on.

Slide 52:

Photo Description: Six women are standing outside near a store's door and windows. There is a glare from the parking lot on the windows. At the far left, a DB woman with tunnel vision is watching the close vision interpreter standing just to the left of the blue pillar in the center.

Slide 56:

Photo Description: Outdoors in front of a lake, at the far left a seated DB man is listening to a seated SSP. Behind them, in the center, a sighted standing SSP (facing camera) chats with a standing DB man.
