

**PowerPoint: DB People and Autonomy**  
**Chapter 4.1.4**  
**Photo Descriptions**

**Slide 13: Qualified Interpreters**

**Photo Description: A voice interpreter in professional black attire is speaking into the microphone as she translates attentively.**

**Slide 14: Support Service Providers (SSPs)**

**Photo Description: There are three people. A clerk at far right describes an object as an SSP (middle) relays information to a deaf-blind person at the left.**

**Slide 15: Transportation**

**Photo Description: A white mini-bus with blue, red and yellow stripes, and the word "Access".**

**Slide 16: Riding the Metro Bus**

**Photo Description (right): This image is of a DB woman, Debbie Sommer, standing outside in cool weather on a sidewalk next to a shop. She is wearing a coat, and has on a backpack, a cane, and a yellow laminated card with a number, "7."**

## **Slide 17: “Bus Kit”**

**There are three photographs on this slide:**

**Right top: This is an image of a spiraled yellow laminated kit with a set of three individual numbers, currently marked, “4,0,0.” In this set, one can create combination of numbers, from “0,0,1” to “9,9,9.”**

**Left bottom: On the same kit, after “9,9,9,” there are several large yellow laminated pages to illustrate a word. In this image, it shows the word, “TAXI.”**

**Right bottom: Another example of a yellow laminated page, with the word, “ACCESS.”**

## **Slide 18: Equipment & Instruction**

**Photo Description: Two different devices are shown: On the left, the “Deaf-Blind Communicator” made by Humanware; on the right, is the “BrailleNote” also made by Humanware.**

## **Slide 28: Social Group**

**Photo Description: Three women are engaging in a conversation using tactile sign language in a triangular format. At the left, a seated Deaf woman listens to a standing DB woman at the right, leading the conversation. In the center, is a standing hearing woman.**

## **Slide 29: Conducting Business**

**Photo Description: Seated DB community members, SSPs and volunteer interpreters are seated in different formats: triangular, one-on-one, and side-by-side. Interpreters are working in teams to convey information to the assigned DB client. At far end, the DB lecturer is standing on a stage with solid green background drop, with a SSP and a copy interpreter.**

## **Slide 30: Attending Camp-Retreats**

**Photo Description: DB campers and volunteer interpreters are sitting outside and eating at various tables with two tents, one at the far left and one at the center.**

## **Slide 31: Recreation**

**Photo Description: A sailing boat is anchored in the water in overcast weather.**

## **Slide 35: Jobs: Blue Collar**

**Photo Description: A standing DB man is operating machinery in a factory workspace.**

## **Slide 36: Jobs: Administrative**

**Photo Description: In her office, a seated DB woman is typing at her desk.**

## **Slide 37: Jobs: Professional**

**Photo Description: A DB man gives a lecture to the public as his SSP looks on.**

## **Slide 38: By Fabric Artist aj granda**

**Photo Description: Three decorative pillows are arranged on a bed: at the left is a pillow in orange fabric with green ribbon near the top; in the center is a pillow in orange fabric with wide centered vertical stripe in golden fabric, patterned with circles; and at the right is a pillow in a light green solid fabric.**
