

## **PowerPoint: DB People and Communication: Connections & Combinations**

### **Chapter 4.1.2 Photo Descriptions**

#### **Slide 3:**

**Photo description:** A seated DB man, at right, converses with a seated SSP, at left.

#### **Slide 5:**

**Photo description:** At the expo with booths, at left an SSP stands at least 5 feet away from a DB woman, at right, to converse.

#### **Slide 6:**

**Photo description:** At a beach, at left a DB man stands at least 4 feet away from another DB man, at right, to listen and to converse.

#### **Slide 7:**

**Photo description:** At left, a SSP converses with a DB woman, at right.

## **Slide 8:**

**Photo description:** Two DB people are standing up and talking; at left, a DB woman is signing tactually while another DB man tracks her hands to listen.

## **Slide 9:**

**Photo description:** At the right, a seated DB man reads a document on a computer screen and listens tactually via his seated SSP.

## **Slide 10:**

**Photo description:** The DB woman on the right is using her hearing to listen to the woman on her left.

## **Slide 11:**

**Lower left photo description:** Two DB men are conversing, using their ALDS.

**Lower right photo description:** A close-up view of an ALD device.

## **Slide 12:**

**Photo description:** A close-up view of a Braille display device in use.

**Caption:** Reading English on a Braille display.

## **Slide 13:**

**Left photo description:** In a room, at left a standing DB man converses with his SSP, partially visible at right.

**Right photo description:** In a room, at left a seated DB man listens to his seated SSP.

**Caption:** These men both became deaf-blind after growing up using English as their first language and primary language.

## **Slide 17:**

**Photo description:** Seated at a table, at left a DB woman listens to her interpreter, at right.

## **Slide 29:**

**Left photo description:** A standing DB woman is chatting, partially visible at left, as her sighted friend signals “yes” under the DB’s left hand.

**Right photo description:** At left, a sighted woman signs “I see” to her DB friend, at right.

**Caption:** In both pictures, the Sighted Listener is responding (tactual back-channeling).

**Slide 32:**

**Photo description:** aj granda is talking to a group. At her left (photo right), co-instructor Jelica Nuccio listening. Notice Jelica’s right hand ‘nodding’ on aj’s knee as she listens.

**Slide 35:**

**Photo description:** Three women are seated in triangular format. The two women listening (at left and at right) are maintaining contact with each other as well as with the woman, center, talking.

**Slide 46:**

**Photo description:** On a table at a restaurant, at right a DB man is using his DBC as his SSP looks on.
