

PowerPoint: Guiding Part VI: Recreational Outings

Bonus

Photo Descriptions

Slide 4:

Photo description: On a pathway in the forest, two dogs are exploring.

Slide 5:

Photo description: In a lagoon, rowboats and paddleboats are tied to a boat dock.

Caption: Getting into and out of boats.

Slide 6:

Photo description: There are two men in a hot tub outside. A DB man on the left is getting out of the tub with assistance from his seated SSP, at right.

Slide 8:

Photo description: A floating dock with a metal ladder leading into the water.

Slide 9:

Photo description: Above a ravine, a footbridge leads from one shore to another.

Slide 11:

Photo description: A footbridge leading from swimming deck to the beach does not have any rails.

Slide 13:

Photo description: A seated person on a snow tube is moving downhill on a paved snow route.

Slide 15:

Photo description: At right, a group of three people walk on a beach, with the water receding into the ocean under their feet. In the background, rocks rise from the ocean.

Slide 16:

Photo description: A sighted person is on a recumbent bicycle, posing for the camera.

Slide 20:

Photo description: DB people and their SSPs listen how to use a red “conference bike” with multiple seats.

Caption: A “conference bike” that seats 6 people, one driver, all pedal.

Slide 22:

Photo description: The SSP guides his DB camper to the “conference bike.”

Slide 23:

Photo description: The SSP explains the bike and guides the DB camper’s hand to touch the bike’s seat.

Slide 24:

Photo description: A few DB persons and their SSPs are seated on the “conference bike”.

Caption: One more person and we’re ready.

Slide 25:

Photo description: As DB persons and their SSPs are seated on the “conference bike”, it is pushed by a person to gather momentum as the group pedals away.

Slide 28:

Photo description: At right, the SSP motions for the DB man to move towards him.
