

Power Point: TOUCH and Deaf-Blind People
Chapter 4.1.5
Photo Descriptions

Slide 5:

Photo Description: Two standing DB men are conversing through Tactile American Sign Language using both hands.

Slide 6:

Photo Description: Close-up photo of a person's hands reading a stapled Braille paper stack on a table.

Slide 7:

Photo Description: A DB man investigates a toiletries travelling kit as his SSP looks on in a retail store.

Slide 8:

Photo Description: The same DB man feels and looks at the same kit from different perspective as his SSP explains a detail.

Slide 9:

Photo Description: Six wooden "pebbles" have been threaded together and attached to the top of this DB woman's cane.

Slide 10:

Photo Description: Outside during sunny weather, at left, a female SSP and, at right, a DB man look up at something. The DB man's right hand is on top of the SSP's left shoulder.

Slide 11:

Photo Description: At left, a DB man and his SSP, at right, smile for the camera.

Slide 12:

Photo Description: At left, an arm touches the DB woman in the middle. At the far right is the DB woman's SSP. Both their knees are touching.

Slide 13:

Photo Description: In the foreground, a small girl standing in front of a fence, raises her hand to the horse behind the fence, feeling the breath from the horse.

Slide 14:

Photo Description: A DB man with a buoyant vest is in a pool, leaning over a dolphin's nose as the dolphin kisses his cheek.

Slide 15:

Photo Description: A person is lying on the grass in a park, basking in the sunshine.

Slide 16:

Photo Description: A female swims butterfly style in a pool.

Slide 20:

Left Photo Description: A person's hand traces a sign.

Right Photo Description: A close-up of the sign shows an embossed Braille text at the bottom of the sign being "read" by a hand.

Slide 22:

Photo Description: At a counter, a standing DB woman has her right hand on her purchased food, while her left hand lightly rests on top of her SSP's right hand.

Slide 23:

Photo Description: In a restaurant, a DB man is seated at a table with his guide dog on the floor at his feet, with his SSP sitting to his left. .

Slide 26:

Photo Description: Three people are seated in a room. At the left, two DB women are in a conversation, with the woman at the far left touching the woman in the middle to pause as she senses a newcomer. At the far right, an SSP moves his right hand to touch the left elbow of the woman in the center to also alert her to the presence of a newcomer..

Slide 28:

Photo Description: Three people are standing outside. At the left, a DB woman signs to a hearing man in the middle. At the right, her interpreter touches her elbow to signal his acknowledgement.

Slide 32:

Left Photo Description: A Deaf SSP, facing the camera, is conversing tactilely with a DB person. The DB person's left hand tracks SSP's right hand.

Bottom left Caption: Communicating-Talking

Right Photo Description: Up close illustration of two people seated next to each other, legs touching. The person at the left has her left hand on top of the person on the right's leg.

Bottom right Caption: Back Channeling

Slide 33:

Left Photo Description: A SSP is guiding a DB person with a cane. The DB person's left hand is on the SSP's right shoulder, while the SSP secures her right hand on the DB's hand as an anchor.

Bottom left Caption: Guiding

Right Photo Description: A side view of a Deaf woman and a DB woman hugging each other.

Bottom right Caption: Friends hugging "Goodbye"
